

## 2011 ENERGY INTERN POSITION

Spend your school year working with professionals on sustainable energy! Join a team that is willing to customize your internship relevant to your education, skills and interests! Learn new skills and put your college education to work! The National Center for Appropriate Technology (NCAT) is looking for a qualified student to work in its Butte, MT office.

**Qualifications:** The successful candidate will have good communication skills, an interest or background in sustainable technologies in energy or engineering and a high level of computer skills. The successful student will interact with the public and NCAT staff in a professional manner. Candidates will have the opportunity to display spreadsheet, word processing, analytical and web-based research skills.

### **Opportunities:**

A student with skills and expertise in architecture, building science, engineering, planning or community development will have a great opportunity to gain hands on experience in NCAT's energy program.

**Compensation:** \$9.00 per hour depending on experience.

**APPLICATION PROCESS:** Open until filled. Early applications are encouraged and applications will be considered as they are received. All persons interested in being considered for the position must submit a cover letter highlighting their experience and skills relevant to the listed qualifications, a current resume and a completed NCAT application form. Requests for an NCAT application form and inquires about the application process should be directed to Jerrid Burk. Incomplete applications or reference on the application to "see resume" will not be considered. Applicants can visit NCAT's web site at [www.ncat.org](http://www.ncat.org) for a gateway to web sites and projects developed by NCAT staff. Send completed application materials to:

Jerrid Burk  
NCAT Human Resource Specialist  
P.O. Box 3838  
Butte, MT 59702
