

# NCAT Fiscal Year 2017 Annual Report

NATIONAL CENTER  
FOR APPROPRIATE  
TECHNOLOGY

Since 1976, NCAT has been advancing sustainable solutions in agriculture, energy, and community development. We are committed to fulfilling our mission and upholding our tradition of excellence. Our outstanding staff worked tirelessly during Fiscal 2017 to help people with challenges in sustainable agriculture and energy, and this report highlights some of their accomplishments.

Our new photovoltaic solar array generated **65,958** kilowatts, powering our headquarters building for the entire year.

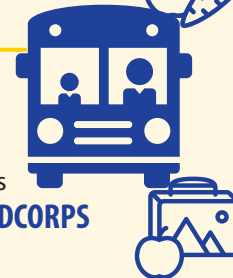

We hosted **4 ARMED TO FARM** events, teaching **105** military veterans and their spouses about transitioning to a farming career.

We arranged for **7,250** pounds of local, healthy food to be served in schools.

**17,767** elementary kids learned about local, healthy foods and good nutrition from our **FOODCORPS** service members.

Our **NATIONAL ENERGY ASSISTANCE REFERRAL** program helped **231,329** low-income people find local resources for paying utility bills.

**91** Montana businesses and organizations benefited from energy efficiency work performed by our **ENERGY SERVICES** staff, saving **62,256,105** kilowatts of electricity.

Our **ENERGY CORPS** AmeriCorps service members provided residential weatherization services for **349** individuals.

Sustainable agriculture workshops and presentations by staff reached over **53,000** attendees.

Agriculture producers and educators visited our **ATTRA** website more than **773,000** times and accessed **2,062,594** resource materials.

We educated **5,176** people about energy efficiency and conservation practices.
