

AFTER USING PESTICIDES

Wash your hands with soap

Post REI, Re-Entry Interval (if labeled)

Until you have changed clothes and washed your hands, do not hug or touch others

Keep pesticides in original containers, never put pesticides in food containers such as soda, milk or water bottles.

Poke holes in empty pesticide containers and dispose of properly. Never dispose unwanted pesticides in the trash.

Wash clothes worn while spraying separately from the family laundry

Triple rinse empty containers

Funding for this project has been provided in full or in part through a Grant awarded by the Department of Pesticide Regulation.
