

WHEN MIXING A PESTICIDE

Never smoke or eat while mixing or applying pesticides

- Follow the directions for use included in the label.
- Always mix pesticides outdoors or in well ventilated area.
- Wear all PPE.
- Mix only amount that you will need for the application.

If spill occurs, clean it up with sawdust or cat litter. Sweep into garbage bag and handle as pesticide waste.

Keep children, pets and toys away from area where you mix and apply pesticides

When measuring, only use designated tools, not those shared with the kitchen.

Funding for this project has been provided in full or in part through a Grant awarded by the Department of Pesticide Regulation.
